CONVENTION OF

The Left  
DEBATE '08

## Financial Appeal

The Convention of The Left held its second organising meeting on Sunday 1st March, which agreed to move forward with the Convention based around the themes of Planet, Peace and Solidarity, Public Services, Prejudice and Oppression and Politics and Power.

The Convention of the Left aims to organise a counter-conference to New Labour's annual jamboree in September. If you would like to help support the Convention please fill in the form and return it to the address below – or for the more technically savvy, simply take out a standing order online with your own bank using these details.

In order to fund the conference we estimate we need around £6,000-£10,000. Any contributions no matter how small (i.e. 50p upwards) would be gratefully received. Please complete the standing order below to support this initiative.
